

## ENVIRONMENT POLICY

Uno Biotech is committed to a clean, safe and healthy environment, and we shall operate our facilities in an environmentally sensitive and responsible manner. Our commitment to environmental protection and stewardship will be achieved by:

- ✚ Complying with the requirements and spirit of applicable environmental laws and striving to exceed required levels of compliance wherever feasible.
- ✚ Ensuring that our employees are trained to acquire the necessary skills to meet environmental standards.
- ✚ Conserving natural resources by improving efficiency and reducing  
✚ Wastage.
- ✚ Reducing our consumption of resources and improving efficiency in the use of these resources.
- ✚ Prevent environmental pollution whenever possible and implement waste minimization through 3'R principles (Reduce, Reuse and Recycle).
- ✚ Making business decisions that aim towards sustainable development.
- ✚ Use of environmentally friendly material and follow best work practices.
